

Value Statements

Ethics

Corrections Standards Authority strives to be a leader for ensuring the safety of our communities through collaboration with state and local agencies.

Professionalism

We demonstrate professionalism by employing fair, firm, and consistent practices that are based on trust and mutual respect taking the initiative to work autonomously

Commitment to Excellence

We strive for continual improvement in our quality of action, technical assistance, and financial support and service.

Mutual Respect

We recognize and value each person's diverse contribution to the CSA regardless of position, assignment or role.

Adaptability

We practice adaptability by being open and, ready, and willing to handle the sundry of situations that affect each other, our department, and our constituency.

Enjoy Work

We have a personal and professional commitment to care about and enjoy the work we have chosen to do.
